1944 IS GONE---

Let's Be About Our Business for 1945!

Our one great hope for 1945 is an early Peace and the end of travels and dangers of war for our fighting men and women.

There will be plenty more worth-while things that every patriotic American can do in the year ahead to help assure Freedom, Justice and the dignity of individual men through the centuries to come.

We can't do too much for our country. Let's resolve that we do enough.
