HENRY-CAN YOU TELL US HOW MANY RIBS YOU HAVE?

can see how the name of Paris is a short form of Parisii,

In the time of Julius Caesar, Roman soldiers attacked and captured the island. Then, for close to five centuries, it was a center of Roman life. Houses were built on each side of the river, as well as on the island itself. The Romans called the place Lutetia, and it was not until later days that Paris became its official name.

The island where the first settlers of Paris lived is small, and it could not hold a large number of persons. Today the city covers many square miles on both sides of the Seine, and the island is only a little part of it. At the time of the last census,

Paris had a population of 2,829,000.

It ranked fifth among the cities of
