

# New Skating Star Shows Ability On Quilna Screen

It's true enough that Lima has been getting her fair share of cold weather but just how cold do you think it gets up around Lake Placid? Well, cold enough to make skiing and ice skating one of the great sports of the year. Now you can get the beauty of Lake Placid and all its surroundings all done up in one package and that happens to be "Lake Placid Serenade" the new picture with a new ice skating star, Vera Hrubá Ralston, which opens Saturday at the Quilna theatre.

At the Ohio theatre a story of the fairy tale type that children dream about has been put into picture form. Daphne du Maurier's magnificent book "Frenchman's Creek" can now be seen in all its splendor.

Everyone from young to old has heard the old expression "Hi Beautiful" and you've seen it enough, this expression has been interpreted in such a way that a full length movie has been made of it. "Hi Beautiful" can be seen at the Sigma theatre.

Hilarity is waiting a town of glory at the State theatre where the pride and joy of all comedy-loving people is featured. "The Doughgirls" pictures just how it is and Hotel accommodations are to be found in the metropolis of Washington, D. C.

Gene Autry giving his favorite a treat these days and can be seen at the State theatre in the picture "In Old Monterey" with all his buddies.

# RECORD PAPERS, SERVICE OFFICER URGES VETERANS

T. F. Gallagher, American Legion service officer, Friday renewed his pleas to discharged veterans to have their papers recorded to insure against loss and to establish a permanent record. "The original discharge record can be replaced," Gallagher said. "The certificate issued in lieu of the lost discharge never contains the information which is carried by the original." "Don't carry your discharge folded in your purse. The corners soon wear off and the information is obliterated."

If you entered service under an assumed name or a mistake has been made in your credit papers, have it cleared with the Veterans Administration in Washington, D. C. This is a protection for yourself and your family.

# LIMA LAWYER IS APPOINTED

John F. Enn, Lima attorney, has been appointed by Attorney General Hugo S. Jenkins as counsel for the liquidation of two district building and loan associations, according to an announcement from the state office Friday. Building and loan associations concerned, are the Delphos Savings and Loan Assn. Delphos and Home Savings and Loan Co., Spencerville.
