Jap Plot Investigated On Wednesday's Radio Program

A diabolical Japanese plot to create racial disunion thruout the world is investigated by "David Harding-Counterspy" in "The Case of the Ainu," on Wednesday at 7:30 p. m., over Station WJZ. The Ainu people, a tribe of blue-eyed and fair-skinned Japs, are sent into the occidental world to mingle with white men. Their deceptive coloring masks their true purpose, which is to set off an inter-racial ex-

plosion when Tokyo gives the word. The murder of a Negro OHIO PAYROLLS preacher is linked to this strange tribe and it is up to "Harding" to IN INDUSTRIES destroy their plans before it reaches international proportions. SHOW DECLINE Don McLaughlin plays the title role in the series, directed by Wil-

liam Sweets. When Jerry North, amateur de- and employment records declined tective and mystery story pub- one per cent from September to lisher, questions an episode in one October, 1944, Ohio State univers-

Abbott And Costello Get Lost In Harem-Some Fun

Perhaps being lost in the harem of some Indian king wouldn't be such a bad idea but Lou Costello and Bud Abbott seem to make a problem of the whole affair. In the picture "Lost In a Harem" starring these two comedians and opening Thursday at the State theatre, the troubles they encounter while trying to rescue a girl are imaginable
