Continuing its policy of presenting informed comment on world news events as they occur, "America's Town Meeting" will broadcast a discussion of "The Results of the Big Three Conference," at 7:30 p. m., Lima time, Thursday, over Station WJZ.

William L. Shirer, author and network commentator, and H. V. Kaltenborn, dean of radio news analysts, will be two of the four speakers in this discussion, which will have George V. Denny, Jr., as moderator. This subject replaces the one originally scheduled, "Should Congress Give the War Labor Board the Power to Enforce Its Decisions?" Speaker of the House Robert Ramspeck (D., Ga.) was to have been one of the four speakers on that subject.

With the intention of helping Bud Abbott and Lou Costello improve their program, Rudy Vallee strolls across the NBC corridor for a guest appearance on the Abbott and Costello comedy show at 9 p. m., Thursday, over Station WJZ. Needless to say, Bud and Lou manage to carry out each sug-

She's as Lively as a Youngster—Now her Backache is Better

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pain, leg pain, loss of pep and energy, getting up at night, swelling, puffiness under the eyes, headache and dizziness. Frequent or crummy passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will keep the 17 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.
