It's "The Case of Profit for Prejudice" which Mr. D. A. (Jay Jostyn) solves on "Dr. District Attorney" Wednesday at 8:30 p. m., Lima time, over WEAF.

Unmotivated by any sentiments warmer than greed, two cold-blooded racketeers run a "hate sheet" to inflame prejudice and race discrimination for their personal profit.

Eddie Cantor and his sidekick, Harry Von Zell, baby the wrong parlay and wind up on the wrong side of the gilded cage on the "Eddie Cantor Show" Wednesday at 8 p. m., over WEAF.

Kay Kyser and his "College of Musical Knowledge" will broadcast from a quonset hut at Port Mugu, near Oxnard, Calif., when they entertain the Seabees stationed there, Wednesday, over WEAF at 9 p. m.

When the Nazi war lords are finally brought to justice by the United Nations War Criminals Commission, one of the most heinous crimes for which they will have to give an accounting is their attempt to intimidate American citizens of German descent who have relatives still living in the Fatherland. "David Harding—Counterspy," played by Don McLaughlin, breaks up one of the Nazis' wholesale extortion plots in "The Case of the German Pressure Group" on Wednesday over Station WJZ at 7:30 p. m.

## Millions Switch To Mutton Suet Idea For Chest Cold Aid

Many mothers all over America are switching to this idea of getting fast relief for these chest cold miseries. They are simply following Grandma. For years she counted on mutton suet to help carry her home medication to do its pain-easing work on nerve ends in the skin. No wonder so many more now welcome Grandma's idea as improved by science—Penetro, with its multi-medicated formula in a base containing mutton suet—that acts both as counter-irritant and pain-reliever when you spread it on, and as a soothing aromatic when breathed in. And so today Penetro hurries along newer help in the old reliable way—help that eases painful misery, lessens coughing, loosens phlegm, soothes chest rawness—so that you can rest more comfortably and give nature a chance to restore vitality. That's why millions are switching to Penetro today—why druggists are recommending it, 25c, double supply 35c. For all your family's chest cold miseries, be sure you get white, easy-to-use Penetro.

## My Favorite HEADACHE RELIEF

Do you feel headachy and upset due to poorly digested food? To feel cheerful and happy again your food must be digested properly.

Each day Nature must produce about two pints of a vital digestive juice to help digest your food. If Nature fails, your food may remain undigested—leaving you headachy and irritable.

Therefore, you must increase the flow of this digestive juice. Carter's Little Liver Pills increase the flow quickly—often in as little as 30 minutes. And, you're on the road to feeling better.

Don't depend on artificial aids to counteract indigestion—when Carter's Little Liver Pills aid digestion after Nature's own order. Take Carter's Little Liver Pills as directed. Get them at any drugstore. Only 25c.

## A policyholder reports on his life insurance company

THIS YEAR, in making its Annual Report to 31,000,000 policyholders, Metropolitan decided to try something new.

We asked Bruce Barton, a policyholder, and a well known writer, if he would write the report. He agreed.

So he visited our Home Office, asked a host of questions, looked into the facts and figures. According to his report, the things he learned about the Company confirm what the Examiners of the State Insurance Department found. Following their most recent official examination of the Company they had stated:

"From this examination, it becomes evident that the Company is in strong financial condition, that its affairs are obly managed, and that the business of the Company is being operated in the interests of its policyholders."
