

# Spring Reflected In Lima's Week-End Theatre Billings

## Good Movie Eliminates Mind Scars

There's nothing like a spring breeze to waft away all thoughts of winter. The same holds true with the movies for this Sunday, for there is nothing like a good movie to remove all scars that this global conflict may have made on your mind.

We're off again only this time it's funnier. Betty Hutton is currently playing a dual role in the picture "Here Come the Waves" at the Ohio theatre.

Everyone loved the film "My Friend Flicka" and now another, just as stirring and beautiful, is playing at the Quilna theatre. "Thunderhead—Son of Flicka" stars the same people who made this picture's forerunner a success—Roddy McDowall, Preston Foster and Rita Johnson.

"Dark Waters" starring Merle Oberon, Franchot Tone and Thomas Mitchell can be seen now at the Sigma theatre. Sharing the billing is "Torrid Zone" a picture brought back by popular request.

Deanna Durbin, more lovely than ever can currently be seen playing at the State theatre. She has been filmed in technicolor, so for a treat that is a treat, you don't want to miss "Can't Help Singing."

Tomorrow's newspaper may not seem so extraordinary to some but if you should happen to get it a day ahead of time, that would be amazing. Such is the case in "It Happened Tomorrow" playing at the Lyric theatre.

**THUNDERHEAD**—"Thunderhead—Son of Flicka," the technicolor thrill sequel to "My Friend Flicka," now showing at the Quilna theatre. Starring Roddy McDowall, Preston Foster and Rita Johnson, the film based on Mary O'Hara's best-loved best-seller, flames with the excitement of life and the urge to adventure in the West at its best.

**LOOK INTO FUTURE**—Linda Darnell and Jack Oakie look into the future for the benefit of the cast of "It Happened Tomorrow," Rene Clair's comedy at the Lyric theatre.

**Police Station Gets New Dress**

Department Members Paint, Change Quarters

Something new is being added at the Lima police and fire departments.

The interior of the police department is being changed to afford more privacy by enclosing the registering office. Prisoners will be "booked" unobserved by passers and traffic violators will register at a desk separate from other law-breakers. A new coat of paint has been applied by members of the department, brightening up the heretofore gloomy appearance of the "reception" room.

At the fire department, the firemen are busy washing and painting the walls and ceilings and remodeling is contemplated to afford office space for Perry McPherson, chief of the fire prevention bureau, according to Fire Chief Walter L. Hydaker.

**Easter Party Set Sunday By Juniors**

Before adjusting hems to new lengths, rip the hem and wash the garment.
