Gov. Goodland in a proclamation today asked Wisconsin motorists to drive no faster than 35 miles an hour to save tires, and pointed out that passenger tire quotas for April will be reduced "better than 30 per cent."

Two major causes of tire wear, Goodland warned are under-in-

Two major causes of tire wear, Goodland warned, are under-in-flation and excess heat resulting from travel at high speeds. The chief executive asked for a "new consciousness for tire conservation" and voluntary observance of the 35-mile limit "to insure that the 35-mile limit "to insure that transportation throughout Wiscon-sin will continue uninterrupted.

Directed fearful damage,
both before and after the crosslong of the borders.
Dresden, a city in eastern Germany, escaped very severe damage during the early years of the
bombing of cities early in the
war, but several weeks ago it

Yet these two points

1. The country has been largely
werecked.
2. Germany will be smaller aftthe peace treaty than it was
in 1938.
