rival of Allied soldiers.

1 H,

EDELWEISS

in the second se

high, grow on the Alps mountains. We think of Switzerland as the home of the Alps, but these moun-tains also reach into parts of France, Italy, Austria and Ger-many. Travelers and tourists in the Alps region have heard about the edelweiss, and some of them have seen it growing in the moun-have anything to do with making From a human point of view, the only way to treat children in the delweiss, and some of them have seen it growing in the moun-have anything to do with making the alps region have heard about the only way to treat children in the edelweiss, and some of them have seen it growing in the moun-tains.

TT T

have seen it growing in the moun-tains. People in Alpine districts feel that it is something of an honor to climb high enough to pick the edelweiss. Perhaps that is the best way to treat growings as well, but about children there can be no doubt. There will come a time when the children of present-day Ger-many will grow into men and wo-men. If the majority of them then sais. German boys and girls in their teens may have had some choice as to whether they would join the Hitler Youth or such groups as

O

Among the interesting stories Hitler Youth or such groups as cabled across the Atlantic during the Edelweiss Pirates. Yet there the past few months is one about the "Edelweiss Pirates." Accord- of, say, 12 years down to the babin of the the store the past few months is a store the babin of the store the s (For GENERAL IN TEREST section of your scrapbook.)
