

Sonja Henie Presented At Ohio In "It's A Pleasure"

Now Hollywood cleverly presents Sonja Henie in a spectacular picture which subordinates her skating, superlative as it is, to the story. "It's a Pleasure," the star's first in technicolor, presents her in the full range of her versatility in a deluxe entertainment aimed for universal appeal.

"It's a Pleasure" opens Friday at the Ohio theatre and in addition to Miss Henie, stars Michael O'Shea and Marie MacDonaid. Also on the billing is the picture "It Happened in Springfield," a 20-minute feature.

Highlighting their careers, the East Side Kids return to the screen of the Quilna theatre in another of their hilarious pictures, "Docks of New York," and has as its star, the leader of the ring, Leo Gorcey. The other feature is "Forever Yours."

In the picture "The Climax" which is currently playing at the Sigma theatre in technicolor, Boris Karloff commits only one murder. It sounds strange but that is exactly what happens. Turhan Bey and Susanna Foster have the leading romantic roles in the picture.

Evasion of the thickest occupations anyone ever heard of and so far, few have been able to keep up the chase for very long. In the picture "Experiment Perilous" now at the State theatre, two people are engaged in such an escapade, Hedy Lamarr and George Brent.

Perhaps one of the best ways of keeping up the morale of a country which has been conquered, is by the publication of a newspaper. Such goes the story behind the movie, "Uncensored" now at the Lyric theatre.

Moral Standards Topic On "America's Town Meeting"

"Are We Losing Our Moral Standards?" Irene Dunne, film star, says yes, Orson Welles, motion picture actor, writer, producer, and host of the radio series, "This is My Best," says no, when that question is debated on "America's Town Meeting," in a broadcast from Los Angeles Thursday, at 8:30 p. m., over Station WJZ. The program is the first of five marking the 10th anniversary month of "America's Town Meeting" which broadcast for the first time in May 1935.

George V. Denny, Jr., founder of the forum, presides as moderator. Heavy trucks, which carry ammunition and supplies to the men at the fighting fronts, will be the subject on "Weapons for Victory," the Army Service Forces series, over Station WABC, Thursday, at 5 p. m. With air attacks directed against railroads in enemy-held territory, to cripple enemy transport, when our troops overrun an area, Macks and other heavy trucks must take over the work of the bombed-out railroads, in bringing supplies to the front. The fact that American blitzes have been the fastest and most extensive in the history of warfare is due largely to the speed and flexibility of heavy truck transport.

Hostess Dinah throws open wide the door to "Dinah Shore's Open House," when guest stars Fibber McGee and Molly make one of their rare appearances on the Dinah Shore show, Thursday at 8:30 p. m., over WEAF.

FACES HEARING
CINCINNATI, May 7. (AP)—Charged with failure to notify selective service of a change of address, Harry Thomas Smith, 23, 715 Monument-av., Hamilton, O., will be given a hearing before U. S. commissioner here May 16. He is under \$1,000 bond.
