

New Ice Musical Opens Run At Lyric Theatre

Vera Hruba Ralston, a few years ago "the girl without a country" when she came here from Czecho-Slovakia, today is the glamorous star of the new ice musical, "Lake Placid Serenade," with Robert Livingston as her leading man, opening at the Lyric theatre Monday.

Miss Ralston is a spectacular figure skater on ice, a talented dancer and a dramatic actress of the superior class. She combines all these in her new role as a skating beauty who finds her way to America and romance.

For an abundance of laughs and all-around fun, you'll not want to miss, "Bring On The Girls," starring Veronica Lake, Marjorie Reynolds, Eddie Bracken and Sonny Tufts and currently showing at the Ohio theatre. A high spot in the picture is the Spike Jones version of "Chloe," a scene which is strictly out of this world and as far as music critics are concerned, should be.

Lavishness and more lavishness can be found in the latest screen hit, "Billy Rose's Diamond Horseshoe" which will open Wednesday at the Lyric theatre and will star Betty Grable and Dick Haymes. The film is made even better by the fact that it has been recorded on celluloid in technicolor.

A favorite of all the teen-agers is Van Johnson and his popularity is not only attributed to his good looks but to that so-called "boyish" grin. Van has the starring role in "Between Two Women" now at the Sigma theatre. The two females who seem to be after him are Gloria De Haven and Marilyn Maxwell.

There is nothing like a surprise to take the monotony out of life. Claudette Colbert gets quite a surprise in the picture "Practically Yours" now playing at the State theatre.
