"Music For Millions" Opens As Ohio Feature On Friday

"Music for Millions," the new attraction which opens Friday at the Ohio theatre; will provide fun and thoro-going enjoyment for millions indeed.

It's the story of a little gal, played by Margaret O'Brien, who comes to the city to stay with her big sister, June Allyson, and proceeds to become part-and-parcel not only of the lives of her sister and latter's fellow (or girl) mu-

sicians in Jose Iturbis band. Telling one of the most erchanting love stories ever brought to! the screen, set to the rhythm, glamor and laughter of Hellywood's most spectacular technitriuriph. "Bi'ls color musical Rose's Diamord Horseshoe" starring Betty Grable and Diel Havy es is current t show it at the Quilna theatre

Ju . lest fore picture between Iwo W etc. starring Var Johnsen and raw showing at the Signia the ure. The film, which has been held over for a few days in order to comply with popular demand, will close Friday. Saturday will bring "Patrick The Great," and "Fashion

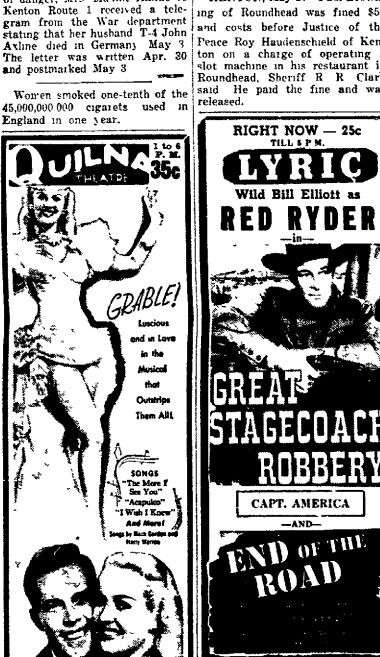

When you say the word mystery, it sort of gives one the creeps or is that just another understatement on this reviewers part. Just the same for you amateur sleuths who simly love to figure things out you'll not want to mis "Dark Waters" starring Merle Oberon and Franchot Tone and currently playing at the State theatre

No doubt, all of you have heard the phrase or read of it-'1've reached the end of the road"and the movie "End of the Road" now playing at the Lyric theatre brings forth a different meaning. A picture that has the suspense you have been looking for.

CARRY ON I was your routeman...I was your washman . . . your

laundry's employee I'LL BE BACK SOON

"From where I sit on this South Pacific Island, wartime laundry service back in the good old U. S. A. looks pretty good. I wash my socks, shorts and shi.ts in my helmet. I use swamp water. I hang my "laundered (?)" shirt on a bush to dry and expect a bug or two to hide in it! I press my clothes under my blanket or not at all - there isn't much ironing equipment in a fox hole and the only starch is in a guy's backbone. Yet I understand that some of my friends back in the U.S.A. are complaining about wartime laundry service! When this thing is over, I'll be back to help my old boss in the laundry. Until then, do me a little favor --- cerry on."
