Bendix - O'Keefe Starred In Amusing Film At Lyric

It will be William Bendix versus Dennis O'Keefe — a co-starring combination that promises plenty of highly amusing rivalry—when "Abroad With Two Yanks" opens Monday at the Lyric theatre.

The picture is reported to reach a new high in hilarious entertainment as Bendix and O'Keefe, as two leathernecks on furlough in Australia, forget they were buddies in battle and get themselves into some fantastic scrapes in their efforts to outdo each other trying to capture a beautiful blonde.

The widely heralded "Salome, Where She Danced," the new technicolor film just out of the movie-capital is currently showing at the Ohio theatre. The tale of unusual action and intensity is based on that strange legend of the place where Salome danced, the tiny city of Salome, Ariz., set down in the arid, impatient and briefly glorious diggings, a rugged detour on the trail of belated Forty-niners who passed that way during the post-Civil War period.

Youth has its swing—youth has its fling—youth has everything in the show that goes arm in arm with laugh and love! Audiences will take to these wonder kids of Tin Pan Alley in "Let's Go Steady," the surprise-package of comedy of the year.

Barrels of laughter will be found at the Sigma theatre where "Horn Blows at Midnight" starring Jack Benny and Alexis Smith is currently showing. If you have ever dreamed of being an angel, you'll understand Jack's position in this great laugh hit of the year.

"Meow"—you'll be saying that word all thru the film "Keep Your Powder Dry" starring Lana Turner, Laraine Day and Susan Peters and now showing at the State theatre.

Abbott, Costello Sign New Contract

HOLLYWOOD, May 28—(UP)—Bud Abbott and Lou Costello were friends again today after making up a three-day contract tiff, a more serious dispute than those which bring so many funny reconciliations in their madcap films.

Bud and "B-a-a-a-a-ad Boy" Lou scribbled their names on a five-year contract bringing them more money than they ever made before. How much no one would say. And on another dotted line was signed the name of Eddie Sherman, their manager.

Bakers of ancient Rome used mechanical dough-kneaders similar to our ice cream freezers to facilitate bread making.
