Mortar can be made by mixing lime with water and sand. A stronger mortar is produced when stronger mortar is produced when cement is added to that mixture.

Lime mortar has enjoyed widespread use for many hundreds of years. After drying, it becomes hard and holds bricks and stones in place.

That is only part of the story of lime. It also goes into bleaching powder and cement. More than half of the material in our common cement is lime.

When hides are about to be tanned, the hair can be taken off of them with the help of quick—

Rudy Hoffman, Chicago heavy-

weight, has wired Jimmy Demetral, his opponent in the main event, that he is counting on a win and spoiling Jim's record of not having lost a Kiddie Camp bout in all these years.

Demetral, who is staging the event as the first outdoor show in Madison since a year ago this month, annually donates his share of the proceeds to the Kiddie Camp fund and last year hit an

all-time high.

The other principals on the ring card, Einar Olson of Racine, Alex Kaffner of Chicago, Alex London and Otto Havisto of Madison, have reported that they are in the "pink" and await Wed-nesday night's showing before an expected record crowd for the
