Lupino, Sydney Greenstreet and

Alan Ladd is back again with his guns blazing in a hit picture, "Salty O'Rourke," opening Friday at the Ohio theatre.

His leading lady for this new film is none other than the up-andcoming new star, Gail Russell. The story of the picture centers about a big race and its huge stakes. As is the case with any big gamble, this particular race can either make or break men. It's another of those hit pictures of Ladd's that

you won't want to miss. Certain to keep you on the edge-

of your seat right to the very last scene is the film "Eve Knew Her playing its last time in Apples,' Lima Thursday, Ann Miller and William Wright present superb characterizations while the sunporting cast gives forth with excellent performances. Sharing the billing is "The Bullfighters" with Laurel and Hardy.

It's seldom that a picture is found to be so good that folks like to have it held over but such is the case at the Sigma theatre. Popular request has been so strong that the film, "The Clock," with Robert Walker and Judy Garland, is being carried over for a few more days. The co-feature is "Blonde Ransom.'

With the Spanish Civil War as Crosby its background, "For Whom The, DEIVE-IN--- "Uncertain Glory" with Bell Tolls" opens Thursday at the Paul Lucas and Errol Flynn, State theatre. The film stars Gary Cooper and Ingrid Bergman and has a wealth of humanness in it. OEIO-"Salty O'Rourke" coming "Hitler, Dead or Alive" is the pic-Friday. ture currently featured with it. QUILNA-"Earl Carroll's Vanities"

Plenty of fun awaits you at the Lyric theatre where "Under Weststarring Martha ern Skies." O'Driscoll, Noah Beery, Jr., and Leo Carrillo, is playing. Bob Crosby has the starring role in the cofeature, "Singing Sheriff."

A jungle-born tiger or lion, if LYRIC—"Rustler's Hideout" and caught young, is easier to train than one bred in captivity. DRIVE-IN-"Make Your Own Bed'
