Collar and tie fashions of men and women. The woman at up-**County-Owned Dairy** per left is wearing a ruff. Test Lab Approved

The Dane county board finance Ruffs were collars made from committee voted Wednesday night stiffly-starched cloth, as muslin to recommend that the board ap-prove the establishment of a so they had much open space. county-owned dairy testing lab-Sometimes they were trimmed basement. A ruff often stood out more

than four inches from the neck. The largest ones were in fashion about the year 1582, and they gained the nickname of "cart-wheels." Rufts of one kind or another were in favor in Great Britain after Elizabeth died,

Every day we see men wearing through the reigns of James I, collars and ties. Usually the col- Charles I and Charles II. Ladies, lar is "soft" or "semi-soft," and as well as gentlemen, wore these

lar is "soft" or "semi-soft," and as well as gentlemen, wore these the tie is almost always of the starched neckpleces. Some lead-kind known as a "four-in-hand," ers of fashion, however, chose If we did not have pictures from the past to look at, we might necks. suppose that men always have worn such neckwear. The fact, however, is that there have been many changes with the passing of the centuries. In my own life-time I have seen the change from the heavily-starched, stiff collar dropped down over the chest. A to the softer kind now common, single ribbon served as both col-I remember struggles with collar lar and tie.

buttons, which objects seldom ap-pear today except when men put on stiff collars to go with dress These were strips of silk or mus-

suits. In the days of Queen Elizabeth, men of fashion did not wear col-lars or ties of the modern kind. the nickname of "choker." The
