'Counter-Attack' At Quilna Depicts Paratrooper Sortie

Highlighted by many thrilling scenes as Russian guerrillas and paratroopers make a night attack on German headquerters in order to capture an officer from whom to force information of troop concentrations, "Counter-Attack" opens Friday at the Quilna theatre.

The broader scope of the picture shows exciting fight scenes and the construction of an important underwater bridge built by the Russians in actual warfare. In the film Paul

Muni has the role of Kulhov, one of the paratroopers, and Marguerite Chapman as a guerrilla

Films dealing with the absorbing study of human psychology and all its ramifications are becoming more numerous with each advance made in the world of medical science. The latest of these gripping psychological melodramas —and one which is probably among the most interesting-is "Conflict." the film starring Humphrey Bogart, Alexis Smith and Sydney Greenstreet and currently showing at the Ohio theatre.

Jammed from start to finish with violent action and breathtaking suspense, the latest adventure drama, "Escape In The Desert," arrives Saturday at the Sigma theatre. Featuring a cast of capable actors of whom Philip Dorn, Helmut Dantine, Jean Sullivan, Alan Hale, Irene Manning and Samuel S. Hinds are outstanding, the film is the gripping story of a manhunt for escaped German prisoners of war.

When Donald O'Connor and Peggy Ryan are cast together in a movie, one can be positive of a good time. These two are mischievous, beyond doubt, but everything is good fun. You'll not want to miss this latest film of theirs, "Patrick The Great' currently showing at the State theatre.

If it's mystery and intrigue that you are looking for, this and even more will be what you will find in the two films now playing at the Lyric - theatre.
