

Picture Takes Movie-Goers Behind Scenes Of Canteens

Every mother, wife, sister and sweetheart of a serviceman must have wondered at some time or other just what the canteens throughout the land are like. It is now amusingly told in "She's a Sweetheart," opening Monday at the Lyric theatre.

Jane Darwell, personifying the universal "Mom," gives another of the warm performances for which she long has been noted. Also in the cast are June Frazee, Larry Parks, Nina Foch and Ross Hunter.

Carrying with it the sinister note which has enthralled "Bogart audiences" all over the nation, "Conflict" continues at the Ohio theatre. With Humphrey Bogart in the starring role and Alexis Smith and Sydney Greenstreet, the picture depicts the evil workings of one's mind.

An underwater bridge built by the Russians to be used in conquering the Nazi hordes who swept down on the Russians during the early part of the war is the plot of the film "Counter-Attack" now playing at the Quilna theatre. Paul Muni and Marguerite Chapman have the starring roles, which are filled with adventure and romance. Sharing the billing is "Blonde From Brooklyn."

The movie currently showing at the Sigma theatre has one of the most stirring plots ever to be seen in film form. The picture is titled "Escape in the Desert" and has as its stars Helmut Dantine, Philip Dorn, Ann Sullivan, Alan Hale, Irene Manning and Samuel S. Hinds. Sharing the billing is "Penthouse Rhythm" with Kirby Grant.

For fun that you may never forget, you'll not want to miss "Bring On the Girls." The film, now showing at the State theatre, has a cast which is, figuratively speaking, fit to kill. Included are Sonny Tufts, Eddie Bracken and Veronica Lake. "High Powered" is the co-feature.

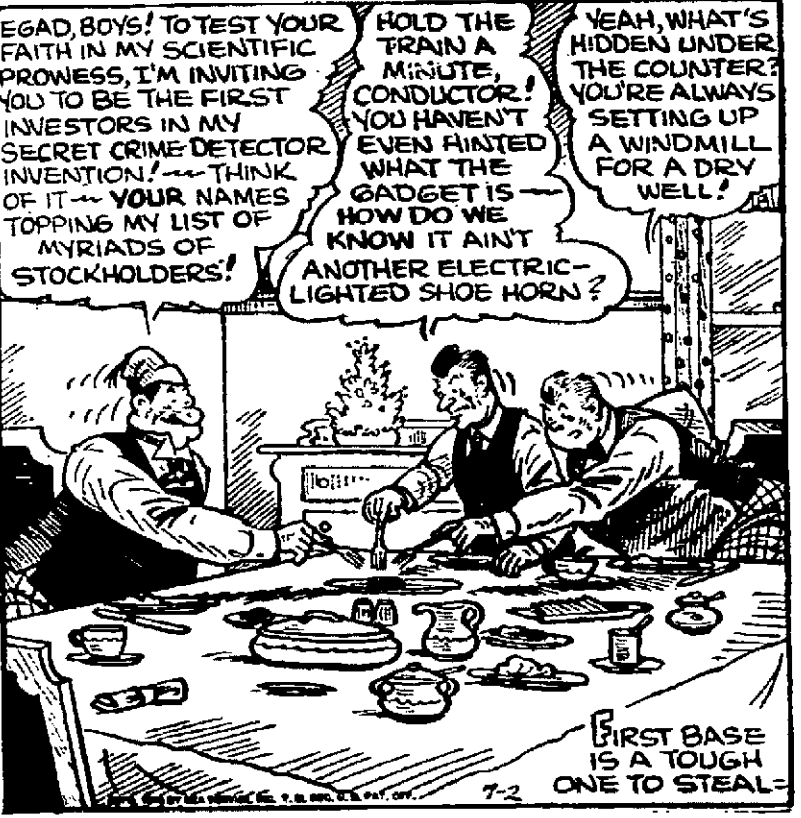

Calcium exerts a steady influence on the nervous system.
