

Sigma Film Is Captivating, Co-Feature Does The Unusual

With Barbara Hale and Robert Mitchum in the starring roles, "West of the Pecos" will open Wednesday, July 4, at the Sigma theatre. The film is the captivating type, which has the powers of taking your breath away. Another film which will cause you to sit up and take notice is "Scared Stiff"—the co-feature. You'll be sitting on the edge of your seat from the time the show begins until it ends.

Conflicting viewpoints and circumstances can be found in the film "Conflict" currently showing at the Ohio theatre and starring Humphrey Bogart, Alexis Smith and Sydney Greenstreet. Bogart plays his greatest role to date in this outstanding movie.

You'll find a merry love story about an ex-GI loner from Duquesne and a juke-box "hello girl" from Brooklyn at the Quilna theatre where "Blonde From Brooklyn" is now showing. The film is currently playing as co-feature to "Counter-Attack" which stars Paul Muni and Marguerite Chapman.

Eddie Bracken seems to be in a "muddle" in the film "Bring On the Girls." All the girls whom he likes like him only for his money and he is saved only by "Sonny Tufts" who knows just about all the answers. Sharing the billing is "High Powered."

Sweetheart to all the GIs, pretty Jane Frazee, is in sort of a predicament in the film, "She's a Sweetheart," now at the Lyric theatre. She doesn't know until a fellow leaves, that she is in love with him. The film presents one of the most heartwarming pictures ever presented to the public.

Byrnes Sworn Into New Job

WASHINGTON, July 3—(AP)—James F. Byrnes was sworn in as secretary of state today.

President Truman and the highest officials of the government looked on as the oath was administered to the man who would succeed to the presidency, under present statutes, should Truman be unable to complete his term.

Byrnes was sworn by Chief Justice Richard S. Whaley of the court of claims.

Yankees March Into Berlin

BERLIN, July 3—(AP)—The veteran Second Armored (Hell on Wheels) Division of the American Army deployed in the suburbs and the first American soldier entered the Russian-held center of Berlin today.

A red-skinned hero of the U. S. Army leaped down Unter den Linden and women wept with joy at the sight of the American.

Pfc. Harvey Natchees of the Ute Indian reservation, who wears a Silver Star, Bronze Star and Purple Heart with Oak Leaf cluster, was the first American soldier to enter the center of the capital.

GOOD WEATHER FOR 4TH MIAMI, Fla., July 3—(AP)—Sunny skies with scattered thundershowers will feature the weather over most of the nation for the Fourth of July holiday, the United States Weather Bureau said in a forecast here today.

Our word "sincere" is derived from two Latin words meaning "without wax."
