NATIONAL COSTUMES of ESTONIA are now rarely seen .

BALTIC STATES HAVE BEEN UNDER RULE OF

SEVERAL COUNTRIES

If we go back over history, we find that the Baltic states known

as Latvia and Estonia have beer under the control of several coun

tries. They have been of some im-

portance for 800 years, but during almost all that time they have

been ruled by the nations around

Latvia was in the hands of Ger-

mans for four centuries. Then it fell to Poland, later to Sweden, still later to Russia. It was part of Russia for 208 years before the end of the first World war.

Estonia has had a similar history, but Danes, as well as Ger-

mans, were among the early for

eign masters. Later came rule by Sweden. Russia, under Peter the Great, took over Estonia in 1721.
