the faces of people. Angels appeared on some waterspouts, and so did the faces of demons. Satan, the upper parts of Notre Dame as himself, was portrayed as doing gargoyles. Yet, in the early meanthe work of sending water to the ing of the name, the only true

7:13 These were figures of furry animals, birds and so on, and usually were made of stone. They had holes in their mouths from which water could pour out. Some of the figures were of very strange but there are other figures which have being nextly hird and decorate the roofs and departing shape, being partly bird and decorate the roofs and do nothing partly furry animal. Others had to gather the rair.

Many a visitor to Paris has looked at the queer figures on the roofs of the cathedral of Notre Dame, and has wondered what that that they round.
Gothic churches had gargoyles.
ou may see them today on many

gargoyles were those which took care of rain water.
