

Pagan Pomp And Pageantry Coming To State's Screen

Thousands of avenging riders raiding the desert slave markets, splendors of the Nile, wonders of pagan pomp and pageantry, a beauty who became booty in the arms of the ruthless—all are displayed colorfully in the film "Sudan" opening Thursday at the State theatre.

Matching the applause received by the films "Arabian Nights" and "Ali Baba and the Forty Thieves," "Sudan" will literally sweep you off your feet with its adventurous mood and your head will swim with the beauty displayed in technical.

Robert Young plays the role of the perfect wolf in the film "Those Endearing Young Charms" now showing at the Ohio theatre. Friday will bring the outstanding hit of the year which played Broadway for quite some time, "The Corn Is Green." Starring Bette Davis, the picture tells of a young man who was a child protegee—so to speak—who was turned into a genius by helpful instruction.

Many times a picture will come and go with little or no attention. But one picture which should not lack even the slightest bit of attentiveness is "Nob Hill" which is currently showing at the Quilna theatre and starring George Raft, Joan Bennett, Vivian Blaine and Peggy Ann Garner.

A boy and his dog has become world-famous because it is so typically American. Now, another member has been added to this couple—a horse. The story revolving around these three will stir the very depths of your heart to the utmost in the film, "The Great Mike," opening at the Lyric theatre Thursday.

For a young boy, danger was faced by Mr. Emmanuel in the picture of the same name currently showing at the Sigma theatre. The film is from England and is doubtless one of the best to be released to the United States from our British friends.

Music Of Richard Rodgers To Be Wednesday Air Feature

A summer festival of melody penned by one of America's popular composers will be offered when "Great Moments in Music" presents selections from the scores of Richard Rodgers as sung by guest soprano, Annamary Dickey, Jan Peerce, tenor and Robert Weede, baritone, over WABC at 10 p. m. Wednesday. Jeff Alexander is guest conductor of the orchestra.

Dynamite helps David Harding, intrepid government agent, to block an act of espionage sky-high in another timely episode of "Counterspy" entitled "The Case of the Dog of Dynamite" to be heard over WJZ at 10 p. m. Wednesday.

Mystery publisher Jerry North, who has heretofore only taken care of authors' brain-children, runs into plenty of real papa trouble when "Jerry Becomes a Father" under the threat of death on "Mr. and Mrs. North," at 8 p. m. Wednesday, over Station WEAF. Leaving the train after a business journey, Jerry is accosted by a strange woman who thrusts a baby into his arms and tells him that if he denies being

her husband they will both be killed. The story takes a surprising turn just as Jerry begins to solve the mystery. Julie Gibson, singing and dancing stardet, who came to New York for a build-up to Hollywood film stardom, will be the guest emcee on "Adventure of the Torture Victim," at 7:30 p. m. Wednesday over WABC. Radio actress Gertrude Warner takes over the role of "Nikki Porter" on this show.
