Uncle Ray's Corner

Radium Ranks As World's Most producing radium. Pierre was given the rank of professor at

During the years which fol-lowed, the Curies worked hard to obtain radium in a form more Picking up the threads of life, During the years which followed, the Curies worked hard to obtain radium in a form more pure. An old shed was used as a laboratory, and in that shed they spent hours untold. At last they spent hours untold. At last they produced a dull white powder which seemed to deserve the lambda. She went on with the work in radium. In 1911 she was awarded another Nobel prize. She lived until 1934.

Radium made the Curies falmous, and it has proved of growled in the spond in the spond in the field of medicine, and has helped scientists breaking up on. It has been used in the field of medicine, and has helped scientists to build up their knowlship to the space around it.

Radium made the Curies falmous, and it has proved of growled in the field of medicine, and has helped scientists breaking up on. It has been used in the field of medicine, and has helped scientists to build up their knowlship the strang-law in the space around it.

Radium made the Curies falmous, and it has proved of growled in the field of medicine, and has helped scientists to build up their knowlship the strang-law in the space around it.

Radium is proved of growled in the field of medicine, and has helped scientists to build up their knowlship the strang-law in the space around it.

Radium made the Curies falmous, and it has proved of growled in the field of medicine, and has helped scientists to build up their knowlship the strang-law in the space around it.

Radium is proved of growled in the field of medicine, and has helped scientists breaking up atoms, but radium. In the space around it which should be about scientists breaking up atoms, but radium. Should be about scientists breaking up atoms, but radium. Should be about scientists breaking up atoms, but radium. Should be about scientists breaking up atoms, but radium. Should be about scientists breaking up atoms, and it has proved of growled and the about scientists breaking up atoms, and it about scientists breaking up atoms, and it about scientists breaking up atoms, and it about scientists br

Two children were born to these scientists, daughters who were given the names of Irene and Eve. Both of these were to grow into women of note. Irene became a scientist, Eve an author and public speaker. In 1904, honor came to the Curies. They were granted a Nobel prize for their work in

Forty-seven years ago, the world first heard of radium.
Pierre and Marie Curie had found it in pitch-blende ore.

The seven years ago, the street ago, the sortonne.

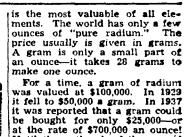

Sorrow followed joy two years later. In the spring of 1906, Pierre Curie died in a street ago.

Marie and Pierre Curie

Radium made the Curies fa-radium.

nous, and it has proved of grow-We have heard a great deal of
