

# Delinquent Youth Theories Pegged In Lyric Feature

In newspapers and periodicals, from pulpit, teachers' conclaves, stage and airways over a period of many months have come the thunderous warnings about the problem of juvenile delinquency with just as many theoretical words about its causes.

Now showing at the Lyric theatre is "Youth On Trial," the film which dispels all such beliefs as heredity, schools, parents or youth alone which are blamed for this outbreak.

"The Story of G.I. Joe" a huge story, but one that has been put, in part, into a movie, is currently showing at the Ohio theatre. The film has Burgess Meredith cast as the late Ernie Pyle it brings out some of the experiences of the infantryman whose adventures are as great as, if not greater than, the oft-told about men of the air corps or other branches of the armed service.

There's more fun than you can shake a stick at in the Quilna theatre. For a picture "Over 21," starring Irene Dunne and Charles Coburn arrived there Friday and has been keeping things lively ever since. Added to the confusion created by this pair is Alexander Knox who proves himself just as good a comedian as when he was "president" in the movie "Wilson."

The same old conflicting triangle prevails in "Valley of Decision" now showing at the State theatre, starring Greer Garson and Gregory Peck. How circumstances are overcome and things get back to a more even keel is told in this picture. Sharing the billing is "Three Is A Family."

The "Northwest Mounted Police" always get their man, or so the story goes, but so does the Texas Ranger. The fun really begins in the film. "Northwest Mounted Police" when the Mounties and the Rangers both want the same man. The film is currently showing at the Lyric theatre. The co-feature to this film is "Double Indemnity" with Fred MacMurray.

### TRUMAN RESTS FOR DAY ON CHESAPEAKE BAY ISLE

Sept. 24--(AP)--Thirteen nations (INS)--President Truman rested tonight on Jefferson Island, in Chesapeake Bay, after a day of relaxation with cabinet members, personal aides and former colleagues of his days on Capitol Hill.

The President left the White House this morning, motored to Annapolis and boarded the old ice breaker, USS Maryland, for his cruise out into the bay and his rendezvous with fun and relaxation. Truman basked in a warm autumn sun throughout the day.

First helicopter to be used in scientific collaboration with any country was recently used to observe action of Paricutin volcano in Mexico.

# Lively Yarn About The Stage Is 'Radio Theatre' Offering

"It's a Date," with Diana Lynn, Brian Aherne and Gale Sondergaard, will be the "Radio Theatre" offering for the full-hour gramatic broadcast presented at 8 p. m. Monday over WABC.

Diana Lynn plays the role of Pamela Drake, a stage-struck daughter of Georgia Drake, Broadway musical star, enacted by Gale Sondergaard. While Georgia is off for a vacation in Hawaii she meets and falls in love with a millionaire, John Arlen, played by Brian Aherne. It's a riot, but it's good. The Americans of a typical county fair, the background sounds of the midway, livestock and crowds and interviews by Parks Johnson and Warren Hull with exhibitors and visitors will be on "Vox Pop" from the northeast Georgia Fair in Gainesville, Ga., at 7 p. m. Monday over WABC.

In the shadowy depths of a Limehouse opium den, famed detective Sherlock Holmes and Dr. Watson come to grips with a mas-

ter criminal in the dramatization of "The Eyes of Mr. Leyton," to be heard on "The New Adventures of Sherlock Holmes," to be heard at 7:30 p. m. over WOR.

Comedy by Bob Hawk and a song by Dolly Dawn are the ingredients of "Thanks To The Yanks" in its broadcast at 6:30 p. m. Monday over WABC. Quizmaster Hawk permits winning contestants the privilege of sending up to 3,000 cigarettes to their favorite serviceman.

American paper money will fold 3,000 times, by actual test, without cracking or breaking.
