# Girl Plays Game Of Love To Spite Another Woman

"Men In Her Diary," a current hit which will open at the Sigma theatre Wednesday, is just about like the title says it is.

The story concerns a girl who plays a game of love merely to spite the other woman. The film is fast moving and very high in intrigue, Here's one that's on the "must see" list.

Jimmy Cagney plays the role of a red-headed managing editor of

the Tokyo Chronicle which defied !the Japanese government and stuck to the guns of newspaper business-that is "printing the truth" in "Blood On The Sun" at the Ohio theatre. No matter what the danger he carries his convictions to the very end-so much so that he nearly is killed.

Betty Grable returns to the screen of the Quilna theatre with her gorgeous "gams" in the film "Song Of The Islands." The billing is shared by Tyrone Power in "Black Swan," the story of a pirate and his ship on the Barbary

It's remarkable how they did it, but just the same Hollywood was able to photograph Esther Williams in some underwater scenes. She is currently playing in "Thrill Of A Romance" and her co-star is none other than Van Johnson. Deep-sea diving is fun once you

learn how, or so someone once said, and it still holds true in "Rough, Tough And Ready," the picture which is currently showing at the Lyric theatre starring Chester Morris and Victor Mc-Laglen The co-feature is a western "Oregon Trail."

If you're one of those people who like creepy movies, then there's one in store for you. It is entitled "Dead Men Walk" and it will open at the Allen theatre Wednesday. "Return Of The Rangers" is billed with it.

#### EMPLOYERS' REPORTS ON MARITIME WORKERS DUE

COLUMBUS, Oct 2-(UP)ers have until Oct. 31 to report States Employment Service for and pay contributions to the Ohio Bureau of Unemployment Compen- determine the state's employment sation, Charles H. Jones, bureau prospects during early 1946. administrator, said today.

three or more workers on any type employers to plan for needed perof vessels operating on the Great sonnel and facilities. Lakes or other navigable waters in the state now are covered by Only about 22,000 of the Terrirecent amendments to the Ohio tory of Hawaii's 375,000 population
