

Calibre Of Movies In Lima In Top Bracket Saturday

Altho movie production was somewhat at a standstill in Hollywood the past few weeks, the calibre in Lima show houses has not changed.

One of the most human stories filmed to date is opening Saturday at the Sigma theatre. The picture, "Our Vines Have Tender Grapes," has little Margaret O'Brien in the title role with Edward G. Robinson, Agnes Moorehead and James Craig holding other stellar honors.

It's not often in one's life span that a film will return to be screened before a capacity audience but that is exactly what two films have been doing over the country—playing to capacity audiences. These two films are "Pennies from Heaven" with Bing Crosby and "Mr. Deeds Goes to Town" currently opening at the Quilna theatre.

What is the treatment granted the returning veteran? If he is disabled, what are the feelings of the people to whom he comes home? These and many other things will be answered in your mind when you see the film "Pride of the Marines" The film tells of Al Schmidt, returning Marine hero who, in order to save his buddies, fought until he was blinded. The picture will open at the State theatre Sunday.

Dr. Ordway, the crime doctor, has his hands full in "Crime Doctor's Courage" the picture which will open at the Luric theatre Saturday midnight. Sharing the billing is "Little Joe the Wrangler."

Saturday will be the last day you'll have the privilege of seeing Jackie Cooper in the film which made him famous, "Boy of the Streets" now showing at the Allen theatre. Sunday will usher in "Gaucho Serenade" and "Young Buffalo Bill."

Stiwell Back From War Area CARMEL, Cal., Oct. 20—(INS)—Gen. Joseph W. Stiwell and his battered old campaign hat which he very nearly lost on Okinawa were home from the wars today.

The battered old hat which has become symbolic of his presence was lost on Okinawa but found and returned by a soldier who claimed the offered reward of a case of Scotch.

The general exchanged his celebrated hat for a conventional officer's cap in Honolulu, but discarded it "because it didn't feel right."

Stiwell arrived home just in time to celebrate his 35th wedding anniversary with his family, and he told reporters: "I'll talk to you later."

At the airport with his wife and three daughters to greet him was his dog, Gary, a giant schnauzer.

Army Combat Pilots Turn To Civilian Flying MINNEAPOLIS, Oct. 20—(UP)—You don't "roll the ship" with 21 passengers behind you, five fliers who traded their Army combat records for commercial flying agreed today.

Walter R. Kyse, Fairlawn, N. J., who as a first lieutenant in the Army flew a B-17 out of England, said the chief difference was the loss of "speed and fast maneuvering."

These men belong to a group of 24 hired by Northwest Airlines direct from Army discharge early in August. They have undergone intensive re-training and have averaged about 125 civilian flying hours, hauling redeployed troops across the continent and understudying airline captains on the company's commercial mainlines.

MEETING POSTPONED WASHINGTON, Oct. 20—(AP)—The State department announced today a seven-day postponement of the first meeting of the Allied Advisory Commission on Japan. Russian attendance is in doubt.
