# O'Keefe and M'Donald Star In Film at State Thursday

Dennis O'Keefe and Marie McDonald have the starring roles in "Getting Gertie's Garter," the delightful comedy which will open at the State theatre Thursday.

With many a rib-tickling joke in store, the picture received high praise when in Lima once before and has been brought to the State for a return engagement. Sharing the billing will be "Daltons Ride Again" with Kent Taylor, Lon!

Chaney, Noah Beery, Jr., and Alan The latter film tells of the Dalton brothers' last stand on Coffev-

ville, Kas., and the fighting for law and order, three were killed and the other spared only to face a prison term.

On tap for only a few more days at the Ohio theatre is "Stork Club" with Betty Hutton, Don DeForc and Barry Fitzgerald. The film is one of Miss Hutton's hilarious best and tells of a hat check girl at this club who, because of her kindness, is rewarded by a milionaire. In this reward, she has a charge account at the biggest store in New York, one of the finest hotel apartments in that city, a chauffeur, a limousine everything she had ever wanted but couldn't have because of her

"Leave Her to Heaven" with Gene Tierney, Cornel Wilde and Jeanne Craine goes into another day of its stay at the Quilna theatre. The film tells of the girl who was guilty of the deadliest of the seven deadly sins-jealousy. The many things in which she becomes involved because of jealousy are enacted well in this outstanding film. Cornel Wilde and Jeanne Crain turn in great performances.

A mystery that will thrill all the amateur sleuths to their toes is currently showing at the Sigma theatre and is entitled "Girl on the Spot." The suspense is something to "write home about" because it's unmatched in any other film. The same goes for the cofeature "Sensation Hunters."

Thomas Mitchell plays the role of the hard-hearted warden who thru some trick of fate was forced to imprison his own son. "Within These Walls" has a fast moving erased from the structure. but deep plot and is one film you'll not want to miss seeing. It is currently playing at the Lyric case of Mrs. Bertha Case Browntheatre with "Frontier Fury" with lee versus Mrs. Elsie Hume Case | Chares Starrett as its co-feature. theatre in one of his best-loved
