# Equipment for Driver-Testing Police, Firemen

Driver-testing equipment shown here, as set up by the safety division of the state motor vehicle department, was used Tuesday and Wednesday at Madison's central fire sign to test at least 120 members of the fire disartment and 80 members of the police department.

In the foreground is a reactometer machine used to test eye-hand steering coordinavision efficiency and color-blindness.

engine are Fire Chief Edward Page; A. C. Harbort, safety division representative in charge of the clinic; and Assistant Fire Chief Patrick Brown.

tion and braking reaction. In the background, starting at the left, are tests for field of vision, reaction to glare, knowledge of traffic laws, Standing in the background near the
