music and glamor galore. Currently showing at the Ohlo theatre is one of the most mlud shaking films ever to be screened in Limu. The drama is swift and powerful and will thrill you thoro-The picture has Dorothy Me-Guire in a very convincing role and George Brent who's actions will astonish you and of coure, the lady of the screen, Ethel Barry-

On their way to the Quilna theatre are the films "One Way to Love" and "A Gug Could Change due to open Tuesday. Now playing at the theatre is "Along the Navaje Trail" with Roy Rogers and Dale Evans. Full of fun, and plenty of music, the picture has as its theme a story of a marshal who is hunting for a murderer. Sharing the billing is "Hit the Hay" with Judy Canova.

Betty Hutton finds herself in a merry mix-up of affairs in "Stork Club" in which she is starred with Barry Fitzgerald and Don DeFore. For saving a man's life, of whom she knows little or nothing, she is given nearly everything she wants. But when her Marine boy friend finds out about it he misses an eyebrow and turns thumbs down on the whole thing. The film is currently showing at the State theatre.

In "Abilene Town" danger runs riot until Randolph Scott steps in to put a stop to it. Telling the story of one of the roughest, toughest spots in the United States, the film is exciting and suspenseful. Sharing the billing at the Sigma theatre is "Spider Woman Strikes Back." The East Side Kids keep things

jumping in the picture "Let's Get Tough," now showing at the Allen theatre. They show what they can do in a group when someone tries to "hornswoggle" them into something. Sharing the bill is "Navajo Trail" with Johnny Mack Brown.

Margaret O'Brien and Edward G. Robinson have the starring roles in the latest hit "Our Vines Have Tender Grapes" now showing at the Majestic theatre The co-fea- ministrator for insurance said in ture is "Radio Stars on Parade" with Don Wilson.
