Prof. Moles Forbidden

By SIDNEY WISE

MADRID - Prof. Enrique Moles, one of the world's greatest atomic scientists, today is forbidden from pursuing his scientifie research in Spain and from accepting an offer to aid in atomic development in the United States because charges against him of which he has been absolved.

liberty" in Madrid today and is obliged to report monthly to police headquarters to account for his activities and whereabouts. Before the war, he was regarded by scientist as one of the foremost in the field of atomic weights.

As an internationally recog-nized scientist, Prof. Moles was head of the physical-chemistry department of the Rockefeller Institute in Madrid from its founding in 1930 up until the end of the Spanish Civil War.

Devoted to Science

All sources acquainted with Prof. Moles, consulted by this correspondent, are in agreement

ecular and atomic weights has been accepted as a standard in the scientific world and he is an internationally recognized authority in this field.

advice to newlyweds

Here's something for you newlyweds-and for you not-so-newlyweds who are finally getting started on postwar housekeeping. It's real, friendly help on your food and meal problems-given by Bill Bivens, on the Fred Waring Show. It comes to you as a part of

with Fred Waring's famous Pennsylvanians-orchestra, glee club, solo stars, singing groups and plenty of good, honest fun. The Fred Waring Show is

radio's biggest daytime show,

on all NBC stations each morning Monday through Friday, and is sponsored by the American Meat Institute on Tuesday and Thursday.

Remember to tune in each Tuesday and Thursday. Those are the days when newlyweds appear. as Fred Waring's special guests and when these special messages for newlyweds will come to you.

Require Constant Attention The essence of successful investing is not only in forecasting general market

Your Investments

trends but also in recognizing relative values among individual securities. Great changes are occurring today. We maintain facilities for making studies and comparisons. You may consult us without any obligation on your part. Private conference rooms.
