

# New and Old Films Find Ways Onto Lima Screens Saturday

Some new films and a few of the old ones make up the list of billings for Lima's theatres for Easter week-end. Drama and adventure are the keynotes of all the pictures scheduled.

Bristling with adventure and excitement, "Adventure" with Clark Gable and Greer Garson goes into its second day at the Ohio theatre with all the audience appreciation granted its opening Friday. With Clark Gable, in his return to the screen, playing the role of a rough, tough and ready boss's mate on a merchant marine freighter, the film involves drama and a little comedy.

"Sentimental Journey" is a dramatic film involving the deep love of a man for a woman yet his misunderstanding of her. John Payne has the starring role in this film which tells one of the outstanding stories of the year. Connie Marshall, newcomer to the screen, has a feature role in the film, currently showing at the Quilna theatre.

A tale of the west is to be found in the film "Frontier Gal," the picture which stars Yvonne De Carlo and Rod Cameron and is currently showing at the Sigma theatre. She's a wildcat, but she has a way of getting her man, as you'll note when you see the picture. Sharing the billing at the Sigma theatre is "Close Call for Boston Blackie."

Joan Leslie and Robert Alda will be featured at the State theatre Sunday in "Cinderella Jones," the romantic comedy which has one of the most amusing stories of the year. The film tells of Miss Leslie's attempts to find a man with a high enough IQ to meet the requisites of a rich uncle's last will and testament. She must marry, within a certain time, a man with an IQ of 150 or more.

Fred MacMurray is cast in the starring role of the film "Where Do We Go From Here" opening at the Lyric theatre Saturday midnight. Highly amusing and providing worthwhile entertainment, the picture has Joan Leslie and June Haver in the two feminine leads.

Judy Canova plans plenty of thrills for those who see her current film, "Sis Hopkins," with Bob Crosby and currently playing at the Allen theatre. The picture is co-featured with "Stage to Chino."

Opening at the Majestic theatre Sunday is "Naughty Nineties" with Abbott and Costello and one of the most shocking films of the year, "Tomorrow, the World," with Skippy Homeier.

## Confession Signed In Indiana Murder

INDIANAPOLIS, Apr. 20 (AP)—Sheriff Otto W. Pettit said today that Howard Pollard, 24, of Indianapolis, had signed a statement in which he described how he killed Leland Paul Miller, whose burned and dismembered body was found Apr. 11.

Pollard said in his statement that he shot the 24-year-old Indianapolis man in self-defense after Miller "for some unknown reason accosted me with a pocket knife."

Pollard is being held in jail under a warrant charging first degree murder.

YOKOHAMA, Apr. 20 (UP)—Capt. Masaaki Mabuchi, former commander of a Japanese training company, was found guilty today and sentenced to hang on charges that he ordered the beheading of an American B-29 flier shot down over Tokyo in May, 1945.

## No Mercy Policy Voiced by Reece

WASHINGTON, Apr. 20 (AP)—B. Carroll Reece, the new Republican national chairman, urged last night that the party seek to defeat even those Democrats in congress "who are willing to stand up and be counted in support of true Republican principles."

Reece declared in a broadcast address: "Remember that however 'sound' a Democrat representative or senator may be, he is required to vote with his party on questions such as the election of presiding officers and the appointment of congressional committees."
