The film is packed with all the emotional qualities which go to make a suspenseful film. Anne Blythe and Zachary Scott have the two supporting leads along with Jack Carson in this film story of a woman who made a near failure of both her life, her husband's and her children's.

Currently featured at the Ohio is the film "Her Kind of Man" a crime-packed film which stars Dane Clark with Janis Paige and Zachary Scott.

In Hollywood

With ERSKINE JOHNSON

HOLLYWOOD, May 17—(NEA)—Freddie Bartholomew's bride now is managing his business affairs. Aunt Cissy is burning... The Robert Stack-Evelyn Keyes engagement was exaggerated slightly. He's spending all of his time with Virginia Stafford, daughter of sportsman Charles Wrightman... Another unknown English actress, now in London, will get the Amber role when the film returns to the sound stages late this summer. At least that's the current gossip.

Mary Brian and John Haskell, the business investments manager, may surprise their friends with an elopement... Much against the De Maupassant tradition, George Sanders will have one romantic holdout among his harem of six gal-friends in "Bel Ami." George romances Angela Lansbury, Ann Dvorak, Frances Dee, Marie Wilson, Susan Douglas and Katherine Emery. One of the six gets away, but producer Albert Lewin isn't telling which one.

Warner Bros. will cash in on the battle of Alcatraz prison with a re-issue of the film, "Alcatraz Island," filmed in 1937 and starring Ann Sheridan... Ronald Reagan gets the lead in the film version of "The Voice of the Turtle"... Comedian Alan Young and his wife have called it a day.

Three studios are bidding for James Alexander, who plays the lead in "Okla.," now playing the Billmore theatre in Los Angeles. Paramount will give Mary Hatcher a star buildup as a result of her work in the show... Desi Arnaz and Rita Hayworth will be a new screen team in the fall... Dale Evans has a new boy-friend—Martin Green, of Chicago.

Martha Scott, who heads back to Hollywood in June, denies she is returning to play the lead in M-G-M's film version of her stage hit, "Soldier's Wife." "The only connection I have with M-G-M," she wired us, "is that my husband, Carleton Alop, is a producer there. My visit is strictly to play 'Alop's Wife'."

Prosperity note: Fibber McGee and Molly are installing a five-acre lake on their Bakersfield ranch... Royal Felix, a horse playing an important role in the Abbott-Costello comedy, "The Ghost Steps Out," died after several weeks' shooting. Another nag, made up by the makeup department to resemble Royal Felix, now is playing the part.

Drive for Food Started On Henry Aldrich Show

Henry Aldrich fumbles a few important details but he gets the town off to a flying start on the Food Emergency drive, during "The Aldrich Family" comedy broadcast at 7 p. m. Friday over CBS.

A school dance to raise funds for the drive stems from Henry's suggestions, but when his father sponsors a businessmen's get-together for the same cause, much confusion arises as to where the two events should be held.

Peggy Lee, blonde and lovely, makes her second appearance as a singing guest with Tommy Riggs and "Betty Lou" at 6:30 p. m. Friday over CBS.

That "sentimental gentleman of swing," Bandleader Tommy Dorsey, will introduce a new series of musical variety programs, spotlighting the forgotten man of music, the arranger, when "Tommy Dorsey's Playshop" makes its debut at 9 p. m. Friday over MBS.

Alan Young, donning water wings for an aquatic romp with Esther Williams, finds his rival, Hubert Updike, plunging into first place in a stormy romantic triangle in the "Alan Young Show" at 8 p. m. Friday over ABC.

Captive Geese Said To Be Settling Down

(Special To The Lima News) CELINA, May 17—Wild geese held at the game preserve in Coldwater Creek area apparently are mating. One egg has been reported by the wildlife technicians of the State Conservation division. It is difficult to get wild geese to nest in captivity, they report. Quite a number of wild ducks are nesting in the area. Duck food such as wild rice, wampee and giant smart weed are being planted. Duck millet and goose grass will be planted in June.
