The Gardners are the first half champs and how.

They had the park full looked like, far the biggest Industrial League game crowd in history. It looked about as big and couple hundred more than House of David

The Bordens did everything but try to catch the ball in their hats last nite.

Gardners got a great team for this kind of baseball. They are loaded in most every spot and got fine hustling team. They should win and did win with a darn good rattling ball team.

Mendota it is about a \$5,000 boat. I couldn't even buy the whistle on it. Jack Arnold was along, Judge Proctor, Butch Midland and Lawrence Fitzpatrick, boy was that ever a beautiful ride. That boat really rides you know. You can eat right on the boat it will carry eight with ease. We were all out on the back deck we looked like ex-sailors.

We looked like ex-sailors.

A beautiful hard rain came up when we were out there and as long as there wasn't a lot of wind with it we rolled right along and it was beautiful, It was beautiful riding in the rain on the lake. Then up came a beautiful rainbow across the lake some poet could have written a book there.
