Bikini Fires No Worse Than Kamikaze Hits:

SAN JUAN. P. R., July 17 — (INS)—Adm. William F. "Bull" Haleey said today he believes the atomic bomb tests at Bikini atollproved the "Navy has come to. stay."

He declared that while he has . no official report on the Bikini. experiments, he feels results indicate it will be necessary to redesign some types of warships to meet new conditions.

Halsey said press reports led him to believe that fires produced _ by atomic explosions were no. greater than those caused by Japanese Kamikaze attacks. The admiral told newsmen his

present trip to Latin America constitutes a "good-will journey" and that he has "nothing to sell and nothing to buy." He plans to leave for Brazil sometime to-
