Says:
Congress quits till Jan. 3. At last the people get a break.

The money that is spent to keep that gang in office. If they really represent the people then I don't know a duck from a turkey.

The members also voted to raise their pay \$2,000 more per year and added on \$2,500 expenses allowance more also per year.

Here you got the firemen and police in our city trying to get a raise to keep the home going and can't get it.

From here it looks like let the house burn and get into politics in Washington.

I am going to see how the people vote this fall in the nation. Are they going to clean house or ride along with the band wagon guys.

Sports last night the Badger Gardeners beat the Badger Gardeners and are plenty tough to beat. The bread team has the best pitching that is what counts.

Both Gardeners and Badger Sports are loaded with good hitters they both rap that ball folks.

Roudy: Lay off the St. Louis Cards get on the Brooklyn Bums. The Cards would be lucky to beat the City Car in series. It's Brooklyn, Cubs, Cards at finish.

Art. Olson.
When the City Car played over to Jefferson the officials of the team showed us a wonderful time. We went down to "The Spot" in the basement after Ed Blank had a nice baked ham dinner for us. Brother there were some potatoes and he had seasoned raw hamburger there put onions on that and you got something it was the best setup I ever ran into in baseball.

Manager Bill Richards was there with but feet under the table he had about three home runs there at the table. Can that guy ever eat the groceries.

That scorekeeper Mutts Mistelle I said press the ham he said no passing here I am just grabbing and he is the best grabber I ever did see. He had ham in one hand and potatoes in the other and a sandwich in his mouth.

Jefferson couldn't pitch the best pitcher Ed Lehman he has got a bad leg he is a darn good pitcher he has got stuff and he knows how to pitch with that head too. Plenty smart out there.

Jefferson has got a good team there no wonder they are leading the league. They got a nice catcher there in Al Frutierrez they got a good reliever pitcher there in Ralph Schickler too. He knows how to do out there. They got John Meinel on first good fielder and a pretty fair hitter. Then they got Speedy Hauser out there in left field he can really cover that lot over there and how. Then they got the best player in that league with them in Harvey Buchta a great hitter in this kind of ball and a sweet outfielder. Their coach Pike Strobush he is quite a character he does a lot of things the fans don't know for what the opposing pitcher is doing. They got a good shortstop over there in Ed Hoelt. Umpire Hooks Barnes he is a good umpire. They made a mistake on the ground rules over there but they admitted it after that is more than some umpires will do. Some of these ground rules anyhow are so foolish nobody understands them. I ran into Joe Statz over there he is an old umpire and a good one. He is an old fourth warder of years ago he was the only Statz that was allowed in fourth ward.

I ran into Dr. Atwood on the street yesterday. He says am I in or out? I said what are you running for? He said Coroner. I don't want much to do with a Coroner so I gave no answer out. He got a big laugh out of it.

A lot of football coaches must feel pretty good a lot of writers don't think they got much.

The only business I know of where you feel sorry for ten thousand dollars a year guy.

It is one business where you can get seventy boys out or so and you can't find an end or a tackle.

Hurls No-Hitter
BUTLER, Pa.—(UP)—Jim Maloney, right hander for the Butler Yankees of the Mid-Atlantic League, was the hero of the town today after winning his own no-hit-no-run game with a two-run single in the seventh inning Friday night. The victims were the Erie Sailors, who lost 2-0 when they couldn't touch Maloney's fast ball and sharp curve.

St. Paul Wins and Gains on Leaders

(By United Press)
Third-place St. Paul's comeback carried it into the thick of the American Association pennant fight today.

When Indianapolis took the lead from St. Paul, the Saints literally fell apart and dropped six games behind after being on or near the top all season. However, they have gained two full games on the leaders in two consecutive days to cut the Indians' lead to 3 1/2 games and Louisville's to one.

In one of the longest games of the year Friday night, St. Paul gained a 5-4 decision over Louisville in 11 innings. Johnny Rizzo's two-run homer and markers in the second and seventh innings tied the score at four-all for the Saints.

Bill LeFebvre scattered seven hits in Minneapolis' 5-1 triumph over Indianapolis. The Millers made only five hits but were able to produce when they counted.

Columbus came from behind to tie the Kansas City in the eighth and won in the final inning with a four-run outburst, 8-4.

At Milwaukee, Toledo defeated the Brewers, 5-4, in an eight-inning contest shortened by the curfew. The Hens came from behind in the sixth to take the lead with two runs and got the win-margin in the seventh.

Flam Rules Heavy Title Favorite

KALAMAZOO, Mich.—(UP)—Defending Champion Herb Flam of Beverly Hills, Calif., was a top-heavy favorite to retain his title in the national championship when he met second-seeded Buddy Behrens of Fort Lauderdale, Fla., in today's final match.

The boys' final will put second-seeded Gilbert Bogley of Chevy Chase, Md., against third-ranked Jerry DeWitts of San Francisco.

Flam crushed Gilbert Shea of Los Angeles in a semi-final Friday, 6-0, 6-0, giving up only four points in the entire second set.

Behrens whipped Hugh Stewart of San Marino, Calif., 6-1, 6-3.

DeWitts won top-seeded Keston Deimling, River Forest, Ill., in a boys' semi-final, 4-6, 6-2, 6-2, when Deimling succumbed to nervousness and blew the match. Bogley beat Ernest Dubray, San Francisco, 6-3, 6-0.
