Alice Faye Comes to Screen In 'Fallen Angel' at Lyric

Alice Faye returns to the Lyric theatre screen in a film which brings her to fans once again in a hit. The movie is "Fallen Angel," which stars Dune Andrews and Linda Darnell with her.

The triangle of love is the basis of the film which will lead fans merry chase from beginning to end. At the Ohio, "Easy To Wed" goes into its fourth day with stars Van

Johnson, Esther Williams, Lucille Ball and Keenan Wynn. The cast alone is enough to assure you that you'll have a good time.

The Quilna's "Anna and the King of Siam" is good film entertainment also for it takes fans back into history a good many years. It has intrigue as well as mystery and will make you want to hear and see more even after the picture is finished.

Technicolor is the word at the Sigma where "Night in Paradise" with Merle Oberon and Turhan Bey is currently the feature. Romance and adventure run hand in hand in this film which brings to life some of the better known of Aesop's fables.

Fun is the keynote of the film "Two Sisters from Boston" now on tap at the State and starring Kathryn Grayson, June Allyson and Jimmy Durante along with such notables as Lauritz Melchior and many, many others too numerous to mention. It has zing, stamina and other ingredients which go into making films such as these, good.

Lionell Atwill has the lead role in "Fog Island," the mystery thriller now showing at the Allen. Sharing the billing is "Prairie Gun Smoke" with Wild Bill Elliott. Constance Moore has the role of the American actress in "Mexicana? now at the Drive-In. At the Gloria Drive-In is "Mildred Pierce" with Joan Crawford.

Union Adopts Economy Plan

The CIO Auto Workers executive board, concluding a two-day meeting here today, announced an economy program to "make it possible to operate on a budget based on an average monthly memberthip of 600,000."

A spokesman explained airport yesterday. The men. who today however, the actual dues- lived at Silverton, O., had taken paying membership in July was 696,000. Reuther's figure, he said, covered members not paying dues owned by H. A. Campbell of that who are either on strike or tem- city. They were attempting a porarily unemployed.
