OUT OUR WAY 'Postman' Film Due in Lima For Opening at Ohio Friday

The long-awaited filmization of James M. Cain's daring novel, "The Postman Always Rings Twice," opens at the Ohio theatre Friday. As might be expected of the author of "Mildred Pierce," and many

others, this is no ordinary love story. Instead, it is a tale of mounting passion, of hatred and crime; the story of two young people who fall in love but who find they are not free to marry until it is too late. Lana Turner and John Garfield have the leading roles in this THEATRE GUIDE

"These teen-agers-and I prefer to call them 'keen-agers'-are vitally interested in the film industry. To them, everything connected with the movies is wonderful.
