

Burns and Allen Will Return To NBC Airwaves on Sept. 5

Heralding the return of George Burns and Gracie Allen to the air Sept. 5, summertime emcee Meredith Wilson sums up the musical edition of the broadcast at 7:30 p. m. Thursday over NBC. By some strange coincidences, George didn't hear any of Meredith's shows so Wilson repeats the musical numbers which received the most comment.

Under the title, "The Negro to Bilbo—An Answer," a special broadcast will be carried over MBS at 9:30 p. m. from Washington. Participants in this panel discussion will be Dean Joseph L. Johnson, Howard University medical school; Charles H. Houston, general counsel of National-assn for Advancement of Colored People; Max Yergen, president of National Negro Congress.

Stuart Erwin in his role of Finnegan unwittingly becomes a public enemy on the "Phone Again Finnegan" program which will be heard over CBS at 9:30 p. m. All gangland is out to see that Finnegan rests in peace—and as a result, he gets no rest at all.

Oregon Quads Five Days Old But Get Rich

PORTLAND, Ore., Aug. 29 (INS)—There'll be no hard times for Portland's 5-day-old quadruplets. Not for quite awhile, at least, because today they possess a \$25,000 bank account.

The quads, who were born to fame, fell into fortune when Probate Judge Ashby C. Dickson approved a contract with a milk company providing for payments of \$25,000 in exchange for advertising rights.

Terms of the contract call for a \$4,000 cash payment and monthly payments of \$175 for care of the babies, as well as an ample

supply of milk until 1951 or longer, if required. The quads' father cannot use more than 10 per cent of the money to support himself, his wife and their three other children.

Meanwhile, the quads slept blissfully at Multnomah-co hospital, unaware they had been born with the Midas touch.

The flag of Denmark, a white cross on a red field, is the oldest national flag, and has been in existence since the 13th century.
