This Sunday and Monday at Sauk City they are going to have a bearcat of a semipro baseball tournament. Two games on Sunday and two on Monday, Jefferson, winner of last year, is in there. They got a tough team too. Manager Richards has got them primed up higher than the All-Stars.

The Bownian Dairy is entered too they are tough to beat. Phillips, Wisconsin, is coming in there with a good team and a sweet record. The Sauk City Red Sox are in the tournament, -11 teams look to be on an equal basis. Who will win I don't know I'll tell you

The West Side Busicess-men are certainly going to come up with a beautiful set-up that Victory Harvest Festival. They got everything there for the old and the kids. It is deserving of everybody's support. It is a beautiful idea and well done. It will be at Vilas Park Sunday and Mon-

People are calling about that special to Chicago so here WSBM are going to run a baseball special to Chicago it is on September 22nd on a Sunday. The Cardinals against the Cubs. The train is going to leave Madison on the St. Paul road leaving here at 7:45 A. M. and arriving at Chicago at 10:30 A. M. which is 11:30 Chicago time. Game starts at 1:30 P. M. They leave Chicago at 10:00 P. M. for back to Madison. If you want to get your seats contact the depot.

Durocher has got the managers in the National League half crazy he juggles his team all around puts in right hand hitters where left hand hitters ought to be in the pinch. But he is winning that is what counts. The other day he went up to his catcher Edwards that was in Pittsburgh he said throw these kind of balls to this hitter and he will jump out of his pants. This guy is a rookie on Pittsburgh I think it was Kiner Roundy: a good hitter if he didn't strike out. The hitter stood there and every story and the severe critithen added 32 more for a new I guess it got his goat.

Middleton Roundy:

There appeared in your column recently a letter from Cross Plains asking why Middleton was scared to play Cross Plains. They aren't, but here is the reason. The past few years when Cross Plains was winning championships because of the war nothing was said about play-ing Middleton a rubber game. It was too bad everybody couldn't have stayed home and played baseball.

Surely their children's health is more important than a few rides on the Roller Coaster etc. Of course without the children at the Circuses and Fairs the concessionaires can't make any money. Roundy: I have a question that has been bothering me. We have had some argument around about the baseball game at the New Glarus Centennial, which Doriff's Hotel Bar played another team. This is our question. Is it the Kansas City Monarchs or the Chicago Monarchs. We have had signs around town that said Chicago Monarchs and in the paper it said Kansas City Monarchs. I have been wondering whether it was the Kansas City Monarchs that beat the Industrial All Stars 4-0 or was it the Chicago Monarchs. I will be very thankful if you will answer my question and end my

12:10 WJJD 12:30 WJND 2:30 WJJD 2:30 WIND bourn, Milwaukee freshman, did
the best job among the pointsafter-touchdown kickers.

The only contact of the day was
a brief skeleton drill with the
backs and guards pitted against
ends in the afternoon. This was to
sharpen up the running game by
perfecting the blocking.

The afternoon session wound
up with four teams running signals and all of the remaining
players changed off in the lineups.
