

Chivalry Is Theme of Film Opening Monday at Lyric

Chivalry once again will have top billing at the Lyric theatre where "Bandit of Sherwood Forest" opens Monday.

Full of thrills from beginning to end, the film has a Robin Hood story which will make fans want more. Sharing the billing will be "Hangover Square," a thriller certain to chill even the most level-headed observer.

Fun is the word for the excitement to be found in "Two Guys from Milwaukee" now showing at the Ohio. Dennis Morgan plays the role of a prince and between he and Jack Carson they set New York on fire. Sharing the top honors of the film are Joan Leslie, Janis Paige and S. Z. Sakall.

Robert Young and Dorothy McGuire are the love team now at the Lyric in the second of the series of Claudia and David pictures entitled just that, "Claudia and David." Once again their performances will bring something in acting to the public that could never be expressed quite accurately on paper.

If you crave good movies, there's one at the Sigma you'll not want to miss. "Make Mine Music," the new Walt Disney production, will entertain both adults and children alike. It has one of the most amazing stories ever to be heard. Sharing the billing is "Slightly Scandalous."

Ginger Rogers and Jean Pierre Aumont seem to be the perfect team in "Heartbeat," now at the State. Sharing the bill at the showcase is "The Runaround" with Ella Raines and Rod Cameron.

Ralph Morgan has the lead in "Monster Maker" now at the Allen, co-featured with "Dead Or Alive." Both are thriller-dillers. "High Powered" and "Cheyenne Wildcat" are the current billings at the Lima Drive-In while "Practically Yours" with Claudette Colbert is featured at the Gloria Drive-In.

An elephant's tusks keep on growing as long as the animal lives.
