command, a British intelligence staff officer at general head-quarters in Caseria told this cor-respondent that he could not "confirm such reports yet" but admitted freely that "a number of Chetniks were to be used to guard military posts." The British officer said that the Chetniks were already doing "such duly in the Naples area" and it was likely that this pro-gram was to be extended. "Cer-tain units may be sent farther north," he added. The use of Chetnik troops in Italy has long been a major
