Bergen and McCarthy Trade Quips with Guest Jack Benny

Hilarious happenings will be the order of the day when Jack Benny is the guest of Edgar Bergen and Charlie McCarthy at 8 p. m. Sunday over NBC. Vocalist Anita Gordon, Mortimer Snerd and Ray Noble and his orchestra will add to the gayety of the half-hour program.

Jack precedes his old enemy, Fred Allen, on the air Sunday evenings when he makes his first guest appearance with Edgar and Charlie.

Between trading quips with the irrespressible McCarthy and firing away at Allen. "Boss" Benny should be kept busy. He is a dangerous man, however, as Charlie will find out if he gets too fresh. Benny's rating as a violinist is about as high as Charlie's stock as a greater lover.

Fred Allen will have a surprise package for listeners in his opening program of the 1946-47 season at 8:30 p. m. over NBC. His guests are world-famous news; commentators, Lowell Thomas and H. V. Kaltenborn. Portland Hoffa will be back with Allen's Alley regulars, Minerva Pious as "Mrs. Nussbaum," Kenny Delmar as "Senator Clagborn" and Parker Fennelly as "Ittus Moody."

Kate Smith returns to the air for her 16th consecutive season at 6:30 p. m. on CBS with a gala all-star program. Among those present will be Harvey Stone, ex-GI comedian who was discovered by Ted Collins while still in uniform, Pert Kelton, screen and radio comedienne and the Four Chicks and Chuck, leturning after: a sojourn in Hollywood. Jack Miller, who has conducted for Kate ever since she made her radio debut, will be back on the bandstand with a 40-piece orchestra. Also, for the opening broadcast, there will be an audience-participation gimmick.

Percy Grainger, world famous pianist-composer, will be a guest of Patrice Munsel and musical conductor Al Goodman on the "Family Hour" broadcast at 5 p. m. over CBS.

Besides playing "Shepherd's Hey." one of his own well-known compositions, Mr. Cramger has selected Gileg's plano concerto which Edvard Gileg, one of Grainger's great adminers, especially asked him to play at a music festival in England many years

FOREST RESERVE

Monday

NEW YORK, Oct. 5—(INS)— Gifford Pinchot, 81, liberal Républican who was twice governor of Pennsylvania, founder of the nation's conservation system and a member of Theodore Roosevelt's "tennis cabinet," died last night in New York.

byterian Medical center said death was caused by leukemia and came at 10:30 p. m. with his widow at the bedside. Pinchot had been in ill health for several years. Announcement of his death was withheld until today.

Funeral services will be held Monday in Milford, Pa., for the tall, slim forester who often described himself as a progressive Republican but not tied to any party's line. He supported Franklin D. Roosevelt three times for President, the exception being the 1936 campaign.

Conn., educated at Yale and abroad, primarily in forestry, and in 1896 was named a member of Mrs. Anne Curtis, Wapak, the National Forest commission of the National Academy of Sciences.

Most of these were found alongside curbs. In traditional fashion, home owners had raked their lawns, piled up the leaves in the faces to sag and erupt into holes. street and set a match to them. The department at present is

This practice is dangerous not onto roofs, but also is a menace to automobiles parked in the street Hydaker warns.

Several cases are on record of curb fires spreading from leaf to leaf and eventually setting fire to an automobile parked some distance away. And moving vehicles swerving into the curbs when being passed by others may easily ruin their tirs by running over burning piles, he declares.

He also cited instances of movng cars becoming involved in accidents when swinging out of their lane to avoid smoke from curb

Especially around Halloween the situation tends to get out of con-trol. Youngsters imbued with the holiday spirit cannot resist setting fire to piles found in the streets. The fire chief makes this suggestion: Go ahead and burn your leaves—there's no law against that-but don't burn them in the streets. Use a container, preferably screened to eliminate the hazards

of sparks. The ordinance, incidentally, calls the practice of burning leaves or bery by a jury that deliberated grass on the street a misdemeanor, one hour and 10 minutes in the punishable by a fine of not less

than \$5 and not more than \$25. The fire trucks last year dur-lere.

entire attention to collection of leaves. But at the moment, the department does not have enough equipment in working order or men to pick up every pile daily, and is concentrating only on the worst locations.

Monday two and possibly more trucks will be allocated to help out the one truck now being used. The department altogether has six dump trucks, two sweepers and one truck-loader with a scoop on the front.
