Wisconsin State Journal-15 MADISON Monday, October 21, 1946 tional reforms the report said. has given the people confidence

that they can now face squarely the problem of building a peaceful and democratic Japan. MacArthur reported a low" in the domestic food supply and a "new high" in Allied food shipments, mostly from the Unit-ed States. He said the increased

food shipments had prevented Cost of living and wage levels in Tokyo were estimated at 40 times the 1937 level and 15 times greater than on V-J Day.

Coal production was reported to have increased as of August.
In general, the report said

About 25,000 acres in the Ukraine Soviet Russia, have been plainted to rose and lavender for the production of essential oils, and 125,000 acres will be devoted to various flowers for the perfume industry by 1950.
