William Bendix, screen actor who is famous for his "tough lug" characterizations, will be welcomed by Edgar Bergen to help him quell the mischievous McCarthy when he guests on the Bergen-Mc-Carthy show Sunday at 8 p. m. over NBC.

Bob Hope, the eminent author, actor and radio comedian, will trade gags with Eddie Bracken when he makes a guest appearance on the

Eddie Bracken show at 9:30 p. m. on CBS.

Jan August, whose mastery of the keys has often been called "piano magic," will be a guest of coloratura Patrice Munsel with his instrumental trio on the "Family Hour" at 5 p. m. on CBS.

A takeoff on the opera will highlight the Fred Allen show at \$'30 p. m. over NBC, Lanny Ross tenor singing star of radio, will be Fred's guest.

James Melton. his guest star soprano Frances Yeend of Van-couver, Wash., and Frank Black, making his initial appearance as conductor of the symphonic orchestra, will salute the 4-H clubs of America on "Harvest of Stars" at 2:30 p. m. over NBC.

The Jack Benny program at 7 p. m. on NBC will present Phil Baker as guest. with Baker con-tinuing his seemingly futile search for a house.

Millionaire comic Milton Berle, who scored sensationally during his first appearance on "Kate Smith Sings," will be back again with his bulging bag of comedy tricks at 6:30 p. m. on CBS. Olivia de Havilland will appear as guest star on the Louella Par-sons show at 9:15 p. m. over ABC.

EXERCISE SEEN HELP

IN NEAR-SIGHTEDNESS CHICAGO, Nov. 30 - (UP) -Some persons who are slightly near-sighted don't see well because

Three doctors from Washington university at St. Louis performed experiments to determine whether "exercise" helped correct nearsightedness.

They reported to the American Academy of Onthalmology and Academy of Optimizing of the savings today. of the 54 persons tested showed no improvement.

But among those who showed improvement. the doctors found that the greatest change occured in those with only slight

myopia. By checking the refraction of By cnecking the left that had better vision and had will vie for a silver their eves, the doctors found that they should have had better vision Prince of Peace contest at the in the first place and that the improvement apparently was due to "better visual effort" during the tests.

# **Xmas Checks On Their Way**

(Lima News Bureau) OTTAWA, Nov. 30-Approximately \$10,000 was poured mto the trading channels here Saturday as about 200 checks were mailed to Christmas Saving club members by the National Bank of Ottawa.

The members will receive the checks Monday to supplement their Christmas shopping funds. This was one of the heaviest club totals ever accumulated by the local institution, it was learned.

(Special To The Lima News) VAN WERT, Nov. 30-Christ-

mas Savings club checks totaling \$67.658 were mailed Saturday to 1,210 members in Van Wert-co. The First Federal Savings and Loan with 800 members, issued checks totaling \$40,658.66, and the Van Wert Federal Savings and Loan with 410 members sent checks aggregating \$27,000. While the First Federal and

Van Wert Federal savings and loan associations have the only Christmas clubs in the county, the yule savings they pay out will help swell the holiday shopping pocketbook, with other savings and year-end bonuses paid by some firms.

KENTON, Nov. 30 - Kenton shoppers will have their Christmas funds augumented by \$37,000 Mon. day. Three Kenton banks are mailing out that amount in Christmas

# **Gals Speak Their Minds** Tell Manufacturers, Bakers, Butchers What Is

Wrong with Their Products

### By FREDERICK C. OTHMAN

WASHINGTON, Nov. 29-(UP)-Never tell a lady that her petticoat is showing. She knows it, poor gal. Tug as she will, the durn thing sags again and there she is with her slip in the open some more. This is final. I have spent the day with three officials (only one of whose slips was dipping below the danger mark) of the American Home Economics-assn. They have told me true. The ladies of by ten million like some public the nation are weary of being

played for suckers and, or, being ladies want it. The ladies are reminded about the errant under- waiting, but not patiently. wear.

"The manufacturers have told us they'd be delighted to make things the way we want them made," said Miss Lelia Massey, ers. winter coats, refrigerators, the executive secretary. "Now have completed their studies on we're telling 'em."

house dresses, bread, and meat. They certainly are. Thes 20,000 members, all graduate home They know what they want. The meat first. The women of economists, are making surveys womankind, like lingerie that and getting gristle. They insist dye everything else in the washthat the butchers adopt some blame things rip), bread that standards on how much bone goes with every steak. The ladies said stretches, dresses that don't (the that turn out bone, and stew pans

which develop leass. Miss Massey and her associates talk. They are caught up on am not a dressmaker. Never again at headquarters. Mrs. Margaret compromising on big roasts. They will I tell a lady that her slip wald (I refuse to say which one thicker in Maine than in Califor- fingers crossed ilnconspicuously wore a slippery slip, told me nia and, of course, viceversa. The bread situation perhaps is

about the siren songs of the bakers, the butcher, and the dress- not so critical. About half the makers. The boys have promised ladies said they had no com- en and children are engaged in to deliver the goods the way the plaints. The other half said the farming in the United States.

bakers ought to keep on pumping vitamins into each loaf and be forced to label the nutritional content as well as net weight. Also, gents in the white aprons, the ladies want bread that doesn't go moldy.

As for dresses, Miss Massey said the little number she had on was an example. It cost like sin. but the second time out the lining ripped. Dressmakers, the time has come. Put up or shut up.

Nearly 12,000 women contributed to what is wrong with house dresses. Not one of them, gentlemen, was satisfied. Multiply that you get? A lot of frightened dress manufacturers. Or so the

ladies hope. As of now they're working on

A good house dress, they agree, should cost \$4.98 and not one cent those slips (some good, but many more. When a lady buys a size 14 slcazy, said Miss Massey), sweatdress, it ought to be size 14, and not suitable for draping a small cooking utensils, and milk. They elephant.

The gew-gaws down the front should be left off. The ladies don't like 'em. The hems ought to America are tired of buying meat be deep and a red dress shouldn't

One other thing: I am not sneering at the ladies. I think when they want a small roast, their idea is wonderful. I think they want it, without the back they are wonderful. I am glad I also want thick steaks to be no is showing. I'll merely keep my against it falling off altogether.

Twenty-five mililion men, wom-
