lost the war but more fortunate that we are occupying the country. He pointed out that his company is doing more business now than before the war, that his stocks are ever increasing to meet the demands, and that he has already started to enlarge his store. He points to this as the best proof to what he says is true. As for the Russian, he simply says if they were here he would long have been out of business."

an automobile accident in Oregon.

A Kangaroo shot a man in Australia and a dog shot Mrs. Ruth Patterson while she was bathing in her Baltimore home.

With the evidence before it, the National Safety council has decided that animals apparently were trying to get even with peo-

Kato escorted Flom through his council said.

Mantakes glanced back, but decided he was hearing things.
Then it happened again.

He glanced back solutions are placed. Flom found a composing room, 30 by 100 feet, packed with little tables and chairs, dingy lights, floods of stale are placed. A Kentucky rabbit shot a boy in the foot and a California hunter was sent to the hospital for 45 days by a falling goose.

Then it happened again.

He glanced back again, straight into the bloodshot eyes of the salmon. Then a grasshopper hopped in this service. Flow writes that 600 Japs are employed in this service. ter was sent to the hospital for 45 days by a falling goose.

Motorist Gustav Riebow, Milwaukee, Wis., was bitten in the leg by an ungrateful turtle he had rescued from a lonely field life. Pained, Riebow drove his car straight into a tree.

Many people got into trouble without help of the animal kingdown.
