Case of Disappearing Spines

What happened to the spines of the Wisconsin senate on Friday? The gentlemen of the so-called upper house either checked them at their hotels before gathering for the morning session, or let them turn to jelly on the Zierler's farm home near Middleton had been floor.

the senate's voting to wipe out a longproved policy of power dam control, wresting it from the state and turning Stir Up Lessons it over to the irresponsible anarchy of county boards.

The senators themselves offered no other explanation.

Was it shamefully? — at least, it was in strange silence—that it took the roll a moral. on this bill without a single word of

And it has been done only because the legislators have been afraid to stand up to the noise and threats of the power co-operative promoters. World War II, Alaska was pitifully unpre-They've taken a miserable duck at pared. There was a real threat that the rahams and Traffic Officers Donald Harless, "pitch-forks" behind them.

This bill was introduced and clubbed through for the sole purpose of forc- i ing a permit for construction of a \$3,500,000 cooperative hydro-electric dam on the Flambeau river at Lady-

That particular purpose need not be debated, its necesities or consequences! determined, in face of the larger consideration of this reversal of policy.

For many years, Wisconsin has vested control of power dams in the state alone. Dains affect the entire state, all its people and all its factors. This policy has drawn nation-wide attention of the matter of the national guard control of power dams in the state maneuvers.

Accuse Standard Stations waiting Thursday night while the conductor searched frantically for his score. No score: There master copy of George Gershwin's "Control of Power Gershwin's "Control of power dams in the state maneuvers.

Alaska's able Gov. Ernest Gruening would certo in F" was missing.

For a brief moment, Conductor Richard control of FM assum, (FMA) an organization of 160 FM broadcasters, has preserved in a unit of the national guard control of power dams in the state maneuvers.

Alaska's able Gov. Ernest Gruening would certo in F" was missing.

For a brief moment, Conductor Richard C, Church was stumped. Then, with his analysis of the proposition of 160 FM broadcasters, has a sked the FCC to investigate that the conductor searched frantically for his score. No score!

The master copy of George Gershwin's "Control of FM assum, (FMA) an organization of 160 FM broadcasters, has a sked the FCC to investigate that the conductor of the proposition of 160 FM broadcasters, has a sked the FCC to investigate that the conductor of the proposition of 160 FM broadcasters, has a sked the FCC to investigate that the conductor of the proposition of 160 FM broadcasters, has a sked the FCC to investigate that the conductor of the proposition of th For many years, Wisconsin has vestand nation-wide applause.

Now it is to be upset. The state's control will be washed out if any counprepare a base for a national guard unit. ty board votes to negate the state's decision denying a dam on the basis of damage to scenic beauty.

What does any single county board

A county board is a handy and easy most limited influence in Washington. body for lobbyists of any stripe to hanstate-wide body.

That is-it was, until the state seneasy curl to the heat.

now save Wisconsin from a bad mis- hood, the need is almost greater for our
