REPORTS OF OFFICERS REPORT OF THE BOARD OF CANVASSERS

City Planning Engineer Waiter
Johnson and City Atty. Harold E.
Hanson were instructed to draft a proposed amendment to the zoning ordinance which would permit establishment of a neighborhood grocery store, restaurant and drugstore unit at the north and drugstore unit at the north corner of the development on Sherman ave.

The present ordinance forbids commercial development in group housing projects.

Widening of alleys from 10 to 12 feet, straightening of one alley and rounding out of street corners and other changes were ordered by the commission to provide ready access of fire apparatus and meet requirements of the ordinance, when defects in the plans were pointed out by Ray Burt, acting building commissioner.

Tilton said he had conferred with officials of the Credit Union National assn. (CUNA), which plans to build its new national headquarters adjoining the housing project would serve their purposes, he said.
