Funds Raised

It was through the sale of the purk to the village in 1937 that funds were raised to build the shoe factory, one of Waterloo's most enterprising businesses. Today the factory building is the property of the department, while the village.

factory building is the property of the department while the village owns the park. The park is managed by a park board. Because of the war the 1945 homecoming was not held. It is verp probable that the homecom-ing schedule will be resumed in 1950 or 1955. Thirty-two states, Canada, the Canal Zone, and Washington, D. C., were repre-sented in the registrants at the 1935 homecoming.
