Kentucky to Renovate 1792 Prison Towers

FRANKFORT, Ky. — (U.P.) — Kentucky's abandoned prison towers here will be renovated.

The towers, said to be a replica of Warwick Castle in England, were erected in 1792 when Kentucky became a state. The towers are all that is left of a prison that was abandoned after the disastrous Kentucky river flood of 1937.

Successive grand juries here have urged demolition of the towers as a "nuisance" and "accident hazard." Women's clubs, civic organizations and similar groups have urged their retention.

The state park division announced its intention to spend $25,000 to renovate the towers and make them suitable for office space.

Moylan Defeats Parker and Mulloy

SPRING LAKE, N. J. — The tennis world had a new "giant killer" Monday — young Edward Moylan of San Francisco who won the Spring Lake Invitational tennis tournament by beating former national champion Frank Parker and national doubles champion Gardner Mulloy in successive rounds.

Parker had won the Spring Lake title for nine straight years until he bumped up against Moylan in the semi-final round Saturday.

Sunday, the California lad surprised the gallery again by upending second seeded Mulloy, 6-4, 8-10, 6-3, 5-7, 8-6. Moylan used splendid court tactics, forcing Mulloy into numerous errors,

Parker and Mulloy gained only minor consolation by winning the doubles with a 6-3, 6-4, 6-4 victory over Billy Talbert of Wilmington. Del., and Frank Guernsey of Orlando, Fla.

TOLEDO, Ohio — (U.P.) — The Inverness best-ball golf championship and the $3,000 first prize that goes with it belonged Monday to beltin' Ben Hogan of Hershey, Penn., and jauntin' Jimmy Demaret of Ojai, Cal. — the third time they have won the crown.

In the tourney in which score is determined by the number of strokes by which one team beats another, Hogan and Demaret wound up with a plus 12 total. Ellsworth Vines and Clayton Heafner were runners-up with a plus 10, and Ed Furgol and George Schoux were next with plus 4.

Girls' Softball Team Loses After 86 Wins

CHICAGO —(U.P.)— One of the longest winning streaks in American sports history was ended today. The World's Champion New Orleans Jax lost to the girl's softball team of the Match Corporation of America, 3-2 Sunday night. The Jax had won 86 games in a row.

Mayville scored its eighth win in nine Southern section starts by nipping Lomira, 11-8, thanks to a grand slam home run by Elmer Hackbarth in the ninth. Second place LeRoy was upset by Randolph, 4-3, as "Brick" Schultz homered for Randolph in the ninth for the winning run.

Graziano's Handlers Want Timing Check

CHICAGO — (U.P.) — Although Chicago is the only major boxing city in which the knockdown timekeeper yells his count into a "mike" so that every fan in the stadium may hear it, Rocky Graziano wants a personal check on the count Wednesday night.

When the New York challenger crawls through the Stadium ring ropes for his second attempt to wrest the world middleweight championship from Tony Zale, he wants to have a man from his own entourage sitting—with stopwatch in hand—right next to the knockdown timekeeper, to prevent a long count for Zale or a short count for himself.

Cites Tunney Incident

That's what Co-Mangers Irving Cohen and Jack Healy announced Monday as the nation's fight clan began assembling in the Windy City for Wednesday's 15-round bout which is expected to set for the fight game a new indoor gate record of approximately $425,000.

Blond Cohen explained, "Gene Tunney got a long count in Chicago in his second heavyweight title fight with Jack Dempsey in 1927. And we believe Rocky got a short count in his first bout with Zale at New York's Yankee Stadium last September, when Rocky was knocked out in the sixth round. We want Wednesday's count to be absolutely exact —regardless of the winner—so there can be no dispute about it later."

Co-Pilot Healy—who is dark, debonaire and diminutively mustachioed—agreed, "That's right, the knockdown timekeeper will be the most important official at the ringside. Because this is one fight that's sure to end in a knockout. The count will be the thing, and its got to be right."

Zale Still Favored

Rocky was scheduled for roadwork and drills today, but whether he would take limbering exercises at the Ringside gymnasium would depend upon the effect of current hot weather upon his weight, Trainer Whitey Bimstein explained. He hopes to weigh in Wednesday at 156, two pounds more than last September. He appeared razor sharp after five rounds of bag-punching and shadow-boxing Sunday.

Zale loafed Sunday at a suburban home, but he was scheduled for a light workout drills today at the Catholic Youth gymnasium to keep his weight just under the 160-pound limit.

Zale was still favored at 7-5 in man-to-man betting; but the Graziano crew was extremely confident of an upset.

Peruvian Sports Fans Don't Like Umpires—and They Prove It

LIMA, Peru—(U.P.)—Lima sports fans may lack the umpire baiting finesse of the best Brooklyn bleacherites but today no one could accuse them of letting a close decision go unchallenged. An infuriated crowd of soccer enthusiasts chased the referee out of the National Stadium Sunday and set fire to the stands after the official refused to count a spectacular goal scored by the losing university team. Police and firemen cleared the rioters and brought the grandstand fires under control while the officials ended the game four minutes early, leaving the municipal team with a 5-3 victory.

Milwaukee to Hold Model Race Car Meet.

MILWAUKEE — (U.P.) — The 1948 international model race car championships will be held here, Bill Decker, state director of the International Model Race Association, said today.

The meet, scheduled to be part of the Wisconsin Centennial celebration, was expected to draw entries from all over the world. Most of the foreign cars probably will come from England, Germany, Sweden, Australia, and Italy, Decker said.

Both cable and rail type events were planned. The cars, one-cylinder scale models of racing automobiles, are powered by tiny gasoline engines and can travel faster than 80 miles an hour.
