Jolson, Crosby, Durante Among Week's New Shows

By ROCKY CLARK Post-Telegram Radio Editor

Although the World Series baseball games are the most important features on the air this week to sports-minded fans, radio listeners will find numerous changes taking place on broadcasting schedules this week, including the premieres of Paul Whiteman's talent quest, Jimmy Durante's new show, Al Jolson on 'Music Hall', and the new "Spotlight Revue" with Dorothy Shay and Spike Jones' City Slickers.

This week also brings back for another season Amos 'n' Andy, Bing Crosby, Abbott and Costello, Lionel Barrymore, "Vox Pop', "Duffy's Tavern", "Aldrich Family", "Chapel Lchoes', "First Nighter" and Kay Kyser, while "Lum and Abner", Lowell Thomas and Bob Hawk shift to different net-
